2.2 General Administration.

(a) The Trustees shall act in accordance with the Trust Bylaws. To the extent not inconsistent with the terms of this Trust Agreement, the Trust Bylaws govern the affairs of the Trust. In the event of an inconsistency between the Trust Bylaws and this Trust Agreement, the Trust Agreement shall govern.

(b) The Trustees shall timely file such income tax and other returns and statements and comply with all withholding obligations as required under the applicable provisions of the IRC and of any state law and the regulations promulgated thereunder, including without limitation all requirements necessary to qualify and maintain qualification as a qualified settlement fund, and shall timely pay all taxes required to be paid.

(c) (i) The Trustees shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event within 120 days following the end of each fiscal year, an annual report containing financial statements of the Trust (including, without limitation, a statement of the net claimants' equity of the Trust as of the end of such fiscal year and a statement of changes in net claimants' equity for such fiscal year) audited by a firm of independent certified public accountants selected by the Trustees and accompanied by an opinion of such firm as to the fairness of the financial statements' presentation of the equity presently available to current and future claimants and as to the conformity of the financial statements with

the following special-purpose accounting methods which differ from accounting principles generally accepted in the United States:

1. The financial statements shall be prepared using the accrual method of accounting.

2. The funding received from J.T. Thorpe, Inc., a California corporation, J.T. Thorpe, Inc., a dissolved California corporation, Thorpe Technologies, Inc., a California corporation, Thorpe Holding Company, Inc., a California corporation and their insurers shall be recorded directly to net claimants' equity. These funds shall not represent income of the Trust. Settlement offers for asbestos health claims shall be reported as deductions in net claimants' equity and shall not represent expenses of the Trust.

3. Costs of non-income producing assets, which shall be exhausted during the life of the Trust and will not be available for satisfying claims, shall be expensed when incurred. These costs shall include acquisition costs of computer hardware, software, software development, office furniture, leasehold improvements, and other prepaid expenses such as rent and insurance.

Accordingly, the future minimum rental commitments outstanding at period end for noncancelable operating leases, net of any sublease agreements, shall be recorded as deductions to net claimants' equity.

5. The liability for unpaid claims reflected in the statements of net claimants' equity shall represent settled but unpaid claims and outstanding settlement offers. A claims liability shall be recorded once a settlement offer is made to the claimant at the amount equal to the expected pro rata payment. No liability shall be recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.

6. Available-for-sale securities shall be recorded at market. All interest and dividend income on available-for-sale securities, net of investment expenses, shall be included in investment income on the statement of changes in net claimants' equity. Net realized and unrealized gains and losses on available-for-sale securities shall be recorded as a separate component on the statements of changes in net claimants' equity.

7. Realized gains/losses on available-for-sale securities shall be recorded based on the security's amortized cost. At the time a security is sold, all previously recorded unrealized gains/losses shall be reversed and recorded net, as a component of other unrealized gains/losses in the statement of changes in net claimants' equity.

The Trustees shall provide a copy of such report to the Approving Entities and each of the Debtors when such reports are filed with the Bankruptcy Court.

(ii) Simultaneously with delivery of each set of financial statements referred to in Subsection 2.2(c)(i) above, the Trustees shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of claims

disposed of during the period covered by the financial statements. The Trustees shall provide a copy of such report to the Approving Entities and the Debtors when such report is filed.

(iii) All materials required to be filed with the Bankruptcy Court by this Subsection 2.2(c) shall be available for inspection by the public, other than materials filed under seal, in accordance with procedures established by the Bankruptcy Court and shall be filed with the Office of the United States Trustee with responsibility for the Central District of California. The Trustees shall file materials under seal which they determine should remain confidential, provided, however, such materials shall be available to the TAC and Futures Representative.

(d) The Trustees shall cause to be prepared, as soon as practicable prior to the commencement of each fiscal year, a budget and cash flow projections covering such fiscal year and the succeeding four fiscal years. The Trustees shall provide a copy of the budget and cash flow to the Approving Entities.

(e) The Trustees shall consult with the TAC and the Futures Representative (i) on the implementation and administration of the TDP and the Matrix, and (ii) on the implementation and administration of the Trust.

(f) The Trustees shall be required to obtain the consent of the Approving Entities in addition to those instances elsewhere enumerated, in order:

(i) to add to or change the schedule of Asbestos-Related Disease Categories or criteria, or to increase the Allowed Liquidated Values pursuant to the TDP; or

(ii) to merge or participate in the handling of bodily injury claims with any claims resolution facility that was not specifically created under this Trust Agreement or the TDP; or

(iii) to amend any provision of the Trust Agreement; Article I, Article II, Article III Section 4, or Article IV of the Trust Bylaws; or, where required by the TDP, the TDP; or

(iv) to terminate the Trust pursuant to Section 7.2 herein; or

(v) [intentionally left blank]; or

(vii) to change the compensation of the Trustees, other than cost-of-living increases;

(viii) to change the Trust claim form used by the Trust to evaluate claims; or

(ix) to amend, supplement or modify the provisions of the Case Valuation Matrix.

(g) Whenever the consent of the Approving Entities is required pursuant to Subsection 2.2(f) above, or elsewhere in this Trust Agreement, such consent shall be deemed given if the Approving Entities are signatories to a document or the minutes of the Trustees' meeting reflect such consent was given orally and said minutes are then subsequently approved by the Trustees.

(h) The Trustees, upon notice from either of the Approving Entities, shall at their next regular meeting or, if appropriate, at a specially called meeting, place on their agenda and consider issues requested by such Approving Entity.

2.3 Claims Administration. The Trustees shall promptly proceed to implement the TDP.

2.4 Western Asbestos Trust Transaction. In order to employ the resources of an organization whose capabilities are uniquely suited to the claims processing and administrative work of the Trust, and to realize cost savings through two similar trusts sharing overhead, the Debtors hereby direct the Trustees to enter into a transaction with the Western Asbestos Settlement Trust to permit the Trust's use of Western Asbestos Settlement Trust employees for administrative support and the processing of claims pursuant to the TDP. Notwithstanding anything to the contrary in this Trust Agreement, and in express acknowledgment that the Trustees also serve as trustees of the Western Asbestos Settlement Trust, the Trustees, the Futures Representative and the TAC are expressly relieved of any fiduciary obligation to act solely in the best interest of the beneficiaries of the Trust only with regard to such transaction with the Western Asbestos Settlement Trust. The Trustees may disregard this direction to so transact with the Western Asbestos Settlement Trust for administrative support and claims processing services if, due to a change of circumstances, the Trustees determine, with the consent of the Futures Representative and the TAC, it is no longer reasonable to do so.
